- D. to use one account to sign in to multiple web sites

## Answer: D

# **Question No:3**

How can moving to Cloud computing increase user satisfaction?

- A. by accomplishing quick and efficient release of applications
- **B.** by increasing the access to information available on the Internet
- C. by moving internal systems with performance problems to the Cloud
- **D.** by passing problems with applications to the Cloud provider

## Answer: A

## **Question No:4**

Why became the Ethernet standard popular for Local Area Networks (LANs)?

#### Exin EX0-116 : Practice Test

- A. because the Ethernet standard was fastest
- B. because the Ethernet standard was released for general use
- C. because the Ethernet standard was suitable for mainframes
- D. because the Ethernet standard was used by the largest vendor

#### **Answer: B**

#### **Question No:5**

What is an example of the use of location information?

- A. to determine the user's native language
- B. to determine whether the user is connected via a mobile platform
- C. to provide advertisements for local restaurants, determined by GPS
- **D.** to provide the correct version of the application for the user's operating system

## Answer: C

## Question No : 6

What is the generally accepted communication protocol on the Internet?

A. Net BIOSB. OSIC. SNAD. TCP/IP

**Answer: D** 

## **Question No:7**

What is an economic cloud solution for a short term project like a one time application design?

- A. Platform-as-a-Service
- B. Software as-a-Service
- C. Communication-as-a-Service

CERTKILL

#### D. Security-as-a-Service

## Answer: B

## **Question No:8**

What may be an economic benefit of Cloud computing?

- A. a custom accounting system
- **B.** acceptance by employees
- **C.** purchasing thin clients
- D. reduced overhead

#### Answer: D

## **Question No:9**

What does the integrity of information mean?

A. It means that the access to the information is limited.

**B.** It means that the information can be accessed by those users who are allowed to access it.
